- If a student is marked as absent on your Swipe and they are sitting there in your class, they DID NOT Swipe in properly. Please do not just mark them present, please let Mary Watson know also. If this student CONTINUES to show this pattern, please write them up!!!
- Check your class rolls for this next week and assure the students who are on your roster are the ones who are supposed to be there. If you have a student on your roster and they have not shown yet, please notify Connie Gaulden and Mary Watson, immediately and often until you know something further.
- National Learning Day, February 1, 2012 – please talk further with Susie Fisher about being videotaped on this day using technology.
- Raider Room – we will begin this schedule again on **Wed., Jan 25** for 3<sup>rd</sup> nine weeks. Mrs. Allen has placed these packets in your boxes. Please complete each activity and involve the students in this process. There are many benefits in creating the family-like atmosphere with your group!!!
