Congrats to Tori Rothgeb – selected as EOM for October!!!

- This week's **Shout Out** goes to:
 - Ceil Fahrman – assistance and knowledge of PowerTeacher – thanks for all your guidance and directions!!
 - Brad Harper – Continued Raider Spirit and Athletics Coordination!
 - Mary Watson – for her efficiency with our Global Connect Calls – great communication!

Good Luck to Laura Evans – she will temporarily be filling in as Judy Thacker – our ACPS Data Clerk. We wish Judy well as she pursues another line of work. We welcome Connie Gaulden to join us at ACHS until the shuffling settles down!

“One can never consent to creep when one feels the compulsion to soar” – Hellen Keller

- Project Graduation – for those with this planning period duty – please initial in on a calendar with Rhonda Mayberry – thanks!
- Grade Changes – please DO NOT MAKE ANY grade changes to the first nine weeks grades in your grade book. Once the grades are placed in historical grades and report cards are run, all changes must be made manually in guidance. This is NOT A PROBLEM, please just fill out a grade change form and get it to Laura Evans/Connie Gaulden.
- Classroom WalkThrough Data – the administrative team will be coming around at least once each nine weeks using our iPods or iPads to collect this data. Just to remind all of what data we collect in general, please open the attached.
 - Supervision = keeping a “rolling eye” on all that goes on around you. When you are in supervision, whether in the hall, classroom, cafeteria, you need to speak to those around you while also OBSERVING everything outside the circle around you. Each of us is liable for the safety and security of all our students, not just those assigned to us.

Congrats to Stefan and his wife on delivery of a bouncing baby boy last week! Stefan is one of our great Day Treatment Clinicians!

Individual commitment to a group effort - that is what makes a team work, a company work, a society work, a civilization work. -Vince Lombardi

- If you would like to send a “Shout Out” to one of our wonderful staff members – please do so. These can be based on many things like - instructional strategies, professional conduct, or Raider Spirit.
