

702 EMERGENCY CLOSINGS AND WEATHER CODES FOR PERSONNEL

The Division Superintendent will order school and office closings, delays in opening, or the early dismissal of any or all of the schools in order to protect the safety and welfare of the students and staff. Unless employees are notified that their work schedule is changed because of inclement weather or emergency conditions, it is expected that all employees will work according to the terms of their contract/letter of agreement. Twelve-month staff not reporting to work when there has been no cancellation must use personal leave, vacation, or unpaid leave.
