

Parents, in addition to our regular after-school pick-up procedures, we are making some small changes that should help to speed things up and keep students safe in the process.

- Car-riders will be dismissed at 3:00 rather than 3:05.
- Students are encouraged to go immediately to the pick-up circle in the back of the school and wait until their ride is available in the pick-up area.
- All pick-ups are to take place in the pick-up circle in the back of the school. Please do not use the front parking lot for pick-up. Starting October 21<sup>st</sup>, the front parking lot will be coned off.
- Students being picked up will assemble in the grass area next to the pick-up circle.
- Students will be allowed to enter their pick-up car only after it has entered the circle- that is typically the first four cars in the row.
- Please pull as far forward as you can, stopping at the white line. The area beyond that line needs to be kept open so other cars can turn and leave.
