

Mission Statement and Beliefs

Appomattox Middle School is committed to educating and preparing students to develop the critical skills, knowledge, and attitudes necessary to become responsible, productive members of society.

- Each student is a valued individual with unique physical, social, emotional and intellectual needs.
- Each student will benefit from positive relationships and mutual respect among students and staff.
- A challenging curriculum presented through a variety of instructional approaches should enable each student to reach his/her fullest potential.
- Students need to be actively involved in the learning process and should demonstrate their understanding of essential knowledge by producing quality work.
- Every student must be prepared to assume his/her role as a productive citizen in the rapidly changing and challenging world.
